6:00 Open Meeting

6:10 Review of Town Meeting Warning – led by Steve Murphy, Town Moderator

The Select Board has been informed that the Pre-Town Meeting Forum should be considered to be a Select Board meeting. There will not be a specific agenda and no town business will be conducted.

This Forum is an opportunity for people to discuss and ask questions about items on the Warning, in the Town Report, in the budgets, in an informal format (the moderator may have some rules) prior to Town Meeting on Saturday.

This is an opportunity for people who plan to run for office, to make their intentions known.

The meeting is accessible by Zoom, at
