**Woodbury Select Board – Special Meeting**  
**Sunday, March 15, 2026 4:00 P.M.**  
**at the Woodbury Town Office**

4:00 P.M. The meeting was called to order by Chris Casey at 4:00 PM, Present were Select Board Members, Chris Casey, Diana Peduzzi and John Gordon. By invitation, Alfred Larrabee, John Reid, and Jonah Meacham. John Reid made an audio recording of the meeting.

One adjustment to the agenda – Chris asked if the Board would convene an executive session pursuant to I V.S.A. 313 ----- at the request of Alfred Larrabee. The motion was made to hold the executive session. The session was closed at 4:30. The Board will continue to negotiate with Larrabee, the terms of his departure, and possible retention of some services, with a proposed final agreement by May 1.

The regular meeting was re-opened with an opportunity for public comment. Larry Ferno asked to address the Board and it was allowed. He was reminded that the subject of the meeting was the Swenson Granite Company pending application and that was the subject he wished to address.

He asked about how the per-cf fee was developed, and whether the amount is justified, he thinks the crushing operation will not make a profit for the company and he doesn't like to see the town beat up on a company.

At 4:40 the Board voted to convene an Executive Session pursuant to 1 V.S.A. § 313(a)(1)(A) (Contracts) and 1 V.S.A. § 313(a)(1)(E) (Pending or probable civil litigation or prosecution, to which the public body is or may be a party.) Larrabee, John Reid (Town Auditor) and Jonah Meacham (ZBA chair) were invited to participate.

At 6:22 the Executive Session was closed.

John Gordon made a motion that the Town send a letter to the District Environmental Commission explaining the town's concerns and requesting that a hearing be held. The motion passed.

The meeting was adjourned at 6:24.
