

**Town of Woodbury
Cemetery Commission Meeting Minutes
July 22, 2025**

The Commission convened at the Town Clerk's Office at 6:30 pm. A quorum was present, and all motions were seconded.

Commission members present: Susan Stitely, Patti Garbeck, Amy Eldred, and Jamie Dutil.

Previous Meeting Minutes

- Amy moved to approve the April 15th, 2025 minutes; the motion was seconded and passed unanimously.

Review of proposals for road into green burial section

- We received two proposals for the building of the road. One from Chuck Batchelder and another from Joe Magnon.
- The proposals were for two very different roads and thus had very different price points.
- We don't have the budget for the extensive road proposed by Joe and would have to go back to the town for an additional appropriation.
- In fairness to the applicants, we will ask Joe to submit a bid for the less extensive road. We decided a site visit was necessary to determine the feasibility of the more extensive road. We may ask Chuck to submit a bid for that road once we look at the site.

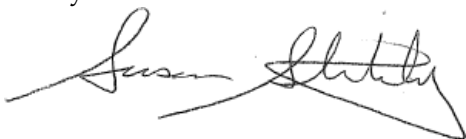

Removal of trees around the fence line at Woodbury Center Cemetery and overhanging trees at South Woodbury Cemetery

- Mike Tatro who mows the cemetery suggested we cut the trees around the fence line at Woodbury Center. He recently found a grave that he didn't know was there.
- He also suggested we cut the overhang trees at SoWo as they interfere with his truck getting though.
- Susan will see if he is interested in submitting a proposal for the work.

The meeting adjourned to the South Woodbury Cemetery for a site visit at approximately 7:00.
