**February 20, 2025**  
**6:30 PM to 8:00 PM**

Members Present: Paul Council, Libby Case, Chad Wohlers, Michael Gray, Jack Travelstead, Kiley Briggs

Members Absent: Natalya Zahn

1. **Approve or revise minutes from the January meeting:** Jack moved to approve the draft minutes from January. Paul seconded the motion. The motion passed unanimously.
2. **Finance updates:** No updates at this time.
3. **Presentation Series Updates and Ideas and set a date and location for a community snowshoe trip:** The community snowshoe event will take place at the town wetland behind the school and will double as a wildlife watching and track observation event. The event is scheduled for March 8 at 10am. Paul will advertise the event on Front Porch Forum
4. **Town Forest Management Plan updates and discussion:** Emily Potter responded to Paul's earlier email and indicated that she would begin working on the Woodbury Town Forest management plan after she wraps up work in the town of Belvidere.
5. **Kiosk/signage at the Cranberry Meadow preserve:** The town needs to install signage at the Cranberry Meadow Preserve acknowledging VHCB for supporting the purchase and conservation of the property. There is not sufficient space for an informational kiosk, but a metal sign could be installed. Commission members will visit the property after the snow melts to determine the best location for a sign. Paul will reach out to All Around Signs to see if they are able to put an illustrated property map on a metal sign.
6. **Schedule the next meeting:** The next Conservation Commission meeting is scheduled for March 20 at 6:30pm at the Town Clerk's office.
